CLIMAT

Wine Collection

DESCRIPTION

Medium grain selection, natural air drying process in our wood yard.

TOAST

After “Bousinage”, temperature is maintained inside the barrels without any fire. This process allows the aromas to concentrate, bringing more complexity and volume to the wine.
Toast Medium and Medium +.

ADVICE

For Pinot Noir and Chardonnay.
For ageing programs: 9 to 12 months. This barrel has quick integration and respects the fruit.

RESULT

Well structured, volume in mid-palate.
